

Catholic Citizenship informs clergy, religious and laity about public policy issues and their affect on our society's common good. Some concrete ways that we educate and mobilize concerned citizens are: Lobby Days on Beacon Hill, assist with local ballot referendums, and host lobby trainings at parishes. Our mission is to promote authentic Catholic Social Teaching in the public square, as promulgated by the Magisterium. Our Bishops remind us that "*responsible citizenship is a virtue, and participation in political life is a moral obligation.*"

When law makers write bills that will impact the common good, it is the laity's duty to act. We have a unique opportunity as citizens of a Constitutional Republic to elect our law makers.

Candidate Position Papers highlight where candidates stand on Marriage, the Right to Life, Taxes, and Parental Rights. The Roman Catholic Bishops of Massachusetts have spoken out on most of the issues presented in the papers.
